Race for a Reason Meet Scout and Carlos Join Team CAF 2010

After a great 2009, the Challenged Athletes Foundation (CAF) is again inviting all Publix Super Markets Gasparilla Distance Classic Race Weekend participants to *Race for a Reason* by joining Team CAF 2010. CAF raises money so people with physical challenges can participate & compete in the sports they love.

Please join Team CAF captains Scout Bassett and Carlos Moleda for a great race weekend. Scout will be running the Gasparilla 15k despite losing her right leg and her parents at an early age in a house fire. She was adopted by a loving American couple and now actively competes in tennis, golf, marathons and triathlons and attends UCLA on a full scholarship. Scout is passionate about athletics and educating people regarding the physically challenged.

Carlos Moleda joined the Navy at the age of 18 and quickly earned a coveted spot as a Navy SEAL. In 1989, he was caught in the middle of an intense firefight and was hit near his spine, losing permanent feeling in his lower body. Carlos is a two-time National Handcycling Champion and a three-time Hawaii Ironman Champion and record-holder.
