

1400+ PRE-REGISTERED FOR 2010 TOO GOOD FOR DRUGS JR. GASPARILLA DISTANCE CLASSIC

February 19, 2010 (TAMPA) – On Saturday morning, February 20th, the Gasparilla Distance Classic Association, C.E. Mendez Foundation and University of Tampa will host the 20th Running of the Too Good For Drugs Jr. Gasparilla Distance Classic at the university's Art & Polly Pepin Stadium.

With the world and economy being what it is, please don't miss this unique opportunity to share this fun and wholesome event with your readers and viewership.

The Too Good For Drugs Jr. Classic is a fun and educational day that stresses to kids ages 2 – 10, that they are "Too Good For Drugs." Rather than being a competition, the Too Good For Drugs Jr. Gasparilla Distance Classic focuses on participation and education for the children. Every child receives the number "1" as their race number, a race packet full of goodies, an "Official" Too Good For Drugs Jr. Gasparilla Distance Classic Race T-shirt and after crossing the Finish Line, a Finisher's Medal. The kids will run distances according to their age.

Registration was free through Wednesday, February 17, but Late Registration (\$5) continues to be reasonable. Late Registration will be available on Race Morning beginning at 8:30am and will be located underneath the Art & Polly Pepin Stadium Bleachers. Race Day Activities will begin at 9:00am. The Race Day Schedule is as follows:

- Late Registration/Package Pick-up 8:30am Under Stadium Bleachers
